

7th International Conference for Fisheries and Aquatic Sciences (ICFAS 7)

“Fisheries for the future!”

October 18-20,2023

Iloilo City, Philippines

ORAL PRESENTATION GUIDELINES

Registration

The presenting author of the accepted abstract should register to the conference through the website (see [**Registration**](#)) not later than **15 September 2023**.

Submission of Presentation File

The presenting author of the accepted abstract is required to submit their presentation file to the ICFAS 7 Secretariat (icfas2023@gmail.com) on or before **17 October 2023**. The presentation should be saved as **Microsoft PowerPoint Format (at least 2010 version)** with slide numbers at the lower right corner. The Secretariat will no longer accept presentations on the day of the conference.

Mechanics for Oral Presentations

1. Each presentation is allotted 15 minutes with a maximum of 12 minutes to discuss the highlights of their research and 3 minutes to answer the questions from the Session Chair and/or audience (Q & A). For non-competing papers, the Session Chair has the discretion to extend this to 14 min leaving 1 min for questions.
2. A timekeeper will be assigned to each session and will notify the presentorson the remaining time for each presentation. Notification cards will be raised when the time reaches 7 minutes (“5 minutes left”) and 10 minutes (“2 minutes left”) for the presenter to wrap-up their presentation by then. A “Time is up” card will be raised when the time reaches 12 minutes. The 3 minutes (Q & A) will then follow shortly after each talk.
3. The presentation should be delivered in English.

7th International Conference for Fisheries and Aquatic Sciences (ICFAS 7)

“Fisheries for the future!”

October 18-20,2023

Iloilo City, Philippines

4. Certificates of Recognition will be given to all oral presenters at the end of each session.

Additional Guidelines for the Student Oral Presentation Competition

1. Papers for student competition are included in the Regular Sessions and must follow the guidelines, “Submission of Presentation File.”.
2. Each presentation is allotted 15 minutes. The presenter should only speak for **10-12 minutes and leave 3-5 minutes** for questions and answers. A point deduction will be imposed for every 30 seconds of excess time.
3. A panel of judges will be designated to evaluate the presentations. The two Best Student Oral Presenters for each category (Undergraduate/Graduate) will be declared as winners. The decision of the judges is final.
4. The judging criteria for the oral presentation competition is as follows:

Scholarly Content	35%
Organization (logical presentation of ideas)	25%
Oral presentation and delivery	25%
Q&A Session (Ability to answer questions)	15%

Announcement of Winners

Winners will be announced during the Closing Ceremony on 19 October 2023.
